

WHISPERING FARMS

Where Life Begins

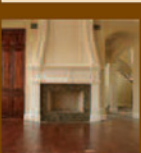

WHISPERING FARMS

\$500's to \$3MM+

Refined country living at its best. Its natural setting with over 300 acres of master-planned excellence creates an extraordinary community for you and your family to enjoy. ~ Experience the generously sized acreage country estates, lakes, trails, parks and world-class equestrian center. Whispering Farms offers tranquility without sacrificing style and elegance. ~ Imagine your children being able to come home from Exemplary Prosper ISD schools to a beautiful country estate. Then, after homework and chores, spending the afternoon hours catching a few fish or saddling a horse for a ride around the community all the while never leaving the safety of the neighborhood.

WHISPERING FARMS

Just minutes away from major employment and shopping centers such as Legacy Business Park in Plano and Stonebriar Mall in Frisco and having Dallas Parkway at its front door, Prosper is convenient to work and play. But yet this small country town remains untouched by the hustle and bustle of North Dallas living. Prosper's leadership is prepared for controlled, orderly growth and is leading the path to master-planning the town's maturation while preserving its rich heritage.

DIRECTIONS

To visit Whispering Farms, travel north on the North Dallas Tollway. Turn Right onto eastbound US 380, and travel for approximately 2 miles. Coit Road is on your left. Turn north onto Coit Road, driving past the new Prosper ISD Middle School. Whispering Farms is on your right, at the SEC of Coit Road and Prosper Trail.
